Black Fortunes The Story Of “The history mined in Black Fortunes will come as a revelation to many who will be shocked to learn that there was a black wealth class immediately after slavery....a classic story of black resilience and the determination to upend a racist social order in the most meaningful, quantifiable way, but it’s also a cautionary tale about the unique challenges African Americas face in trying to build and sustain wealth.” Black Fortunes: The Story of the First Six African ... But the first six black American millionaires is a terrific story. These unlikely individuals started off with huge disadvantages, from race to skin color to illiteracy to being slaves or

the children of slaves. That they

rose to wealth in such a hostile environment – civil war,

reconstruction, Jim Crow – makes

them all the more impressive. Black
