businesses, application forms can be found at the foot of this page along with our Membership Brochure. Membership benefits | The British Ports Association UK Ports are developing Port Air Quality Strategies designed to reduce air pollutant emissions within ports. The industry has worked closely with Government on what these could cover. The UK Government issued guidance to major ports in England in 2019 that recognised the diverse range of circumstances, challenges and opportunities to ports in seeking to reduce emissions. Port Air Quality Strategies | The British Ports Association This legislation replaced the Queen's Harbourmaster for the Dockyard Port of Portland after a period of nearly 150 years
