In some cases, you may also find free books that are  
not public domain. Not all free books are copyright  
free. There are other reasons publishers may choose to  
make a book free, such as for a promotion or because  
the author/publisher just wants to get the information  
in front of an audience. Here's how to find free books  
(both public domain and otherwise) through Google  
Books.
