Mapwork Calculations | Mindset Learn Baker (1996) point out about the development of performance assessment tasks: Far too often at this relatively early stage tasks are “created”

and then rationalized rather than carefully and systematically designed. More interestingly, design processes can influence external validity criteria, that is, how performance-based assessments perform. We understand that reading is the simplest way for human to derive and constructing meaning in order to gain a particular knowledge from a source. This tendency has been digitized when books evolve into digital media equivalent - E-Boo
