Half Wild | Underground Electronic Music Culture Half Wild offers much more of the supernatural than its predecessor, but it does it in a way where it doesn't overwhelm the overall plot. It's grounded and has boundaries, leaving the cast room to use their intelligence and experience. There are a few aspects that leave me a little miffed. Such as some leaps that either haven't been built well ... Amazon.com: Half Wild (The Half Bad Trilogy ... Half Wild is young adult fantasy novel, and the second book in the Half-Life series by Sally Green. It was published on 24 March 2015 and is the sequel to Half Bad, which was released the previous year. Half Wild is the second book in the proposed trilogy. Half Wild - Wikipedia 'Half Wild' is truly better than 'Half Bad' in my opinion. There's more world building and amazing character development. Marcus felt more life-like than in the first novel. In the first novel he read like a paper cut-out. Now he read like the MC's father and a somewhat evil person.
