Human Resource Development Theory And Theory of Human Resource Development (HRD) This module covers the HRD function in organizations from a wide variety of perspectives. At the outset, after the introduction to the module in the previous article, it is time to look at some theoretical perspectives about the HRD function. When the field of management science and organizational behavior was in its infancy, the HRD function was envisaged as a department whose sole role was to look after payroll and wage negotiation. Theory of Human Resource Development (HRD) Human resource development is the training and
