Feel Is To Change How ... My first encounters with how computers change the way we think came soon after I joined the faculty at the Massachusetts Institute of Technology in the late 1970s, at the end of the era of the slide rule and the beginning of the era of the personal computer. At a lunch for new faculty members, several senior professors in engineering complained ...

Turkle: How Computers Change the Way We Think This is a great book on how the mind works, what we can do to change our thinking, and hence live a more fulfilling life. I love the way it is broken into two main parts: first we learn how thinking works, and why we often create invisible purposes that don't serve us, and seemingly contradict our visible goals. Why We
