... Imagination First: Unlocking the Power of
Possibilities Case Solution. In this interview, the
manager of Lincoln Centre's educational initiatives
claims that what we believe is that which we see: most
people interpret new information in ways that bend
toward our preconceptions and confirm them, and this
tendency shapes how we move through the planet as
people. Sadly, this tendency is magnified when we join
together in groups. Imagination First: Unlocking the
Power of Possibilities ... When imagination becomes
habit, it can transform your work and your life The best
corporations know that innovative thinking is the only
competitive advantage that cannot be outsourced. The
best schools are those that create cultures of
imagination. Now in paperback, Imagination First
