Journal of Business Ethics - Wikipedia The basic themes of the paper may be summarized as follows. Effective strategic management of organizational culture is contingent on a mapping of the values and ethical premises which are the dynamic elements of organizational culture. Therefore strategies for maintaining, reinforcing, and changing culture must focus on the value system of the organization. Organizational culture, values, and ethics | SpringerLink This study investigates the benefits and detriments of

emotional and task-related conflict in work groups. Group value consensus (GVC), or the extent to which group members share values, and group value fit (GVF), or the degree to which the culture of the group matches the ideal culture envisioned by external parties with control over the group, are hypothesized to decrease

While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.
