reviews: Western Philosophy: An Anthology Touching on literature, music, art, and theology, John Cottingham illustrates how, far from being redundant in contemporary times, the soul attunes us to the importance of meaning and value, and experience and growth. A better understanding of the soul might help all of us better understand what it is to be human. In Search of the Soul | Princeton University Press High school students are first introduced to 17th century British philosopher John Locke as the mind who helped mold modern Western philosophy. He was the founder of British empiricism, the so-called “Father of Liberalism,” and one of the most influential thinkers of the age of enlightenment. His theories
