SpringerLink Language assessment
or language testing is a field of
study under the umbrella of applied
linguistics. Its main focus is the
assessment of first, second or other
language in the school, college, or
university context; assessment of
language use in the workplace; and
assessment of language in the
immigration, citizenship, and
asylum contexts. The assessment
may include listening, speaking,
reading, writing, an integration of
two or more of these skills, or other
constructs of language ability.
