He and co-author Erik Brynjolfsson are the only people named to both the Thinkers 50 list of the world's top management thinkers and the Politico 50 group of people transforming American politics.

Machine, Platform, Crowd: Harnessing the Digital

The message of the book is that these effects (machine, platform, crowds) will start

happening in every sector, industry or market. There is an influx of young companies that bear little resemblance to the established incumbents in their industries, yet are deeply disrupting them. These upstarts are platforms, and they are fearsome competitors.
