9780875847405 Mastering the Dynamics of Innovation
(□□) The role of technological evolution and innovation
in shaping the destinies of industries and firms is often
underestimated. Technological change is a key factor
as both a creative force in the growth of enterprises
and as a destructive force making those same
enterprises vulnerable to competition. Analysis of how
innovations enter and transform enterprises reveals
several strategies for mastering innovation as a
creative force for renewal rather than viewing it as a
threat. [PDF] The Dynamics of Innovation | Semantic
