Amazon.com: Probability & Statistics with R for Engineers ... Probability Probability implies 'likelihood' or 'chance'. When an event is certain to happen then the probability of occurrence of that event is 1 and when it

is certain that the event cannot happen then the probability of that event is 0. Hence the value of probability ranges from 0 to 1. Statistics - Probability - Tutorialspoint In the light of all these facts we find it very important that probability and statistics should have its proper place in the training of engineers on the university level. 1.2.
