comprehension skills. One method is to use a formal assessment, like the example above, with reading passages followed by questions about the passage. Another method is to use informal assessments. Ask students to tell you about what they read or retell the story or event in their own words. Reading

Comprehension Assessment and Lessons Starting in first grade, most students are given assessments of their reading comprehension. These assessments are important, but they provide teachers with only a global view of a child's reading ability. To provide useful instruction and intervention, teachers must be able to target instruction to a student's specific weaknesses. Assessment: In Depth | Reading Rockets The typical type
