Rebuild Restoring a Fine Violin:
What to Expect Modern luthiers
have advanced the craft of
restoring violins to their prestine
condition, but that doesn't mean

expectations shouldn't be tempered. Performing fine violin restorations is an art form in its own right within the field of violin making. Restoring a Fine Violin: What to Expect - Benning Violins Many an old bow can also be restored. If you find or inherit an heirloom violin, viola or cello you may find the bow hair detached and lying all over the inside of the case. This is usually caused by "bow bugs" that have eaten the hair. A rehair of the bow will solve this, although you should not continue to store it in the original case. Restorations and Repairs - Davidson Violins Published on Mar 21, 2011 Luthier Dr. Luis Torres completely restores a turn of the century violin using the David French Music Company facilities in

Westboro, MA. To find out more about our repair... Violin Repair and Restoration The piece of spruce used for making the violin top was a gift from Rene Morel. One day in 1998, after successful restoration of a del Gesu violin, Rene presented me with an unusual gift: a very old piece of spruce for a violin top. He told me that his grandfather got the spruce from J. B. Vuillaume. Restore Violin - Violin making, restoration and repair The book "An Introduction to the Restoration of Old Violins" by the same author is available on Amazon Kindle, and deals with the servicing of an instrument with no major problems.
