Theory We're starting a food stall and will initially be doing some smaller events and smaller street food markets. I was just wondering if you had any advice on how to get a gas safety certificate as our set up won't be fixed in a vehicle and would be in a gazebo and therefore set up and taken down at the end of each day/event. Vans Street food is ready-to-eat food or drink sold by a hawker, or vendor, in a street or other public place, such as at a market or fair. It is often sold from a portable food booth, food cart, or food truck and meant for immediate consumption. Some street foods are regional, but many have spread beyond their region of origin. Most street foods are classed as both finger food and fast food, and ... Street food - Wikipedia A month or so back I was contacted by the Welsh Rural Development Agency, who are working on actively building the street food scene in North East Wales. They were holding a series of workshops, including one about starting a street food business, and invited me to lead it. And they were offering actual money in
