Tax Council Policy Institute In  
response to a need for current  
information about property tax  
systems, since 1990 IAAO has  
conducted surveys of the features  
of property tax systems in Canada  
and the United States and  
published the results. Although the  
main audience comprises property  
tax administrators and policy  
makers in the two countries,  
readers from other countries may  
find the results helpful as  
well. "State and Provincial property  
tax policies and ... Taxation,  
imposition of compulsory levies on  
individuals or entities by

governments. Taxes are levied in almost every country of the world, primarily to raise revenue for government expenditures, although they serve other purposes as well.
