... Landscape photography is the art
of capturing pictures of nature and
the outdoors in a way that brings

your viewer into the scene. From grand landscapes to intimate details, the best photos demonstrate the photographer's own connection to nature and capture the essence of the world around them. Landscape Photography But before you go out to take landscape pictures, don't forget that an important element of landscape photography is the light to the beautiful scenery. It's best to take photos at dusk or dawn with low angle light. This light renders the beautiful landscape with low contrast and sidelight giving a nice feeling of depth. 50 Mind-Blowing Examples of Landscape Photography | Bored ...
