... We have two final lectures to take place tomorrow, Tuesday, November 23 - the 150th anniversary of the publication of Darwin's "On the Origin of Species."

1. 1pm New York time You can watch at 1pm ET E.O. Wilson speak via taped comments - through a collaboration we set up with the British Council. Home: The Darwin 150 Project - Archive of the 150th

... While the text of The Origin of Species did leave room for religious theology, Darwin's overall commitment to scientific rationale rather than theological reasoning pitted him against religious doctrine. Darwin's text was controversial when it was published, and it remains controversial today. The Origin of Species: Overview | SparkNotes On

Anniversary Edition

Origin of Species has continued to fascinate for more than a century after its initial publication. Its controversial theory that populations evolve and adapt through a process known as natural selection led to heated scientific, philosophical, and religious debate, revolutionizing every discipline in its wake.

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.
