Time To Think Listening To This is about the listener giving the speaker time to think. Listening is territory well-covered already, and if you skim the book it sounds either obvious or glib. But her examples reveal that there is way more to this, and I found myself saying "wow" and "huh!" out loud (which I rarely do) and grabbing for my pencil time and again.

Time to Think: Listening to Ignite the Human Mind: Kline ... Listening - the quality of people's attention for each other - is the core of this method. In Time to Think Nancy Kline asserts that as change proliferates in our lives and our organisations, we must prize each other's minds above all else. We must learn how to help people think for themselves.
