must make the human case to board... CISOs vs. the board | SC Media Like other enterprise executives, CISOs must defend their budget requests. Year after year the company hears that the CISO demands money for more projects, more products, more staff. We used to justify these requests by talking about defense in depth—the notion that a single layer will eventually fail, so we must deploy multiple layers. Life as a CISO: How do CISOs make sense of all the ... Why CISOs Fail: The Missing Link in Security Management--and How to Fix It This book provides insight as to why and how current security management practices fail at their basic foundation, resulting in overall dissatisfaction by practitioners and lack of success in the corporate
